## FROM THE CHAIRMAN

ANDREW JENKINS

**I would like to give a warm welcome to the directors, players and supporters of Crewe Alexandra to Brunton Park today.**

Things have changed at the top level at Crewe since they were last here, with John Bowler passing away and also his daughter, who managed the day-to-day operations, leaving the club.

I do remember the days when they were always rock bottom, and they will be disappointed to have suffered the relegation last season. I'm sure they'll be looking to put that right.

We come into this weekend off the back of two very tough away games. The point away from home at Newport was very welcome, but I was disappointed as I felt we had a good enough team to have taken the win.

The way we finished the game it looked like there would only be one winner, and it's always strange to see a home side waste time in the way they did to hold onto the point.

Looking at Newport at this stage of the season, and how they played against us, there will have to be some improvement from them if they are going to achieve similar to what they've done in recent years.

In spite of the knocks clubs get when it comes to the Papa Johns Trophy, I thought it proved to be another exciting game against Fleetwood. As Paul has remarked recently, the competition gives him the opportunity to give players valuable time when coming back from injury, and it often allows him to give experience to some of the younger players of our own group.

Arriving home late from the Grimsby game, I have just managed to beat the printing deadline for the programme. I just quickly wanted to say that Paul took an injury hit squad with something like 11 players out at the moment.

The team selected put in a gritty and excellent performance against a stubborn Grimsby Town side, with excellent team spirit. Well done lads.

As well as a great game, the fish & chips afterwards were as excellent as usual!

Enjoy the game today,

## FROM THE MANAGER PAUL SIMPSON

Good afternoon and welcome to today's game against Crewe. I also welcome Alex, his staff and players to Brunton Park for what we expect will be another good game.

Currently in mid-table, Crewe have been very hard to beat this season, and I'm sure that will be the same again today. Like us, they'll feel they could possibly have more points on the board, based on performances, and I'm sure they'll be looking to bounce back quickly from the disappointment of last weekend's result at home.

We had to work hard to get the points in our last game here, against Wimbledon, and the pleasing aspect was that we showed a number of different sides to our game. You rarely get everything your own way at this level, and that's when it's important to stick together and back each other up as much as possible, as we saw again at Grimsby on Tuesday night.

That comes from the supporters as well, with a very positive reaction on and off the pitch as we pushed on to get the winning goal here at home, and as we dug deep to see it through in both of our last two away games. When things are going against us in games it's reactions that matter and, as we've seen, hard work will always give the best opportunity of gaining a reward.

At Newport last Saturday we felt we had more to give, with the first half performance not quite at the standards we have set ourselves. It's probably fair to say it was a game we didn't deserve to lose,

and on balance of play, the draw was the fairest outcome. However, the players know where things need to be tightened up and the work we do after every fixture is with improvement in all areas in mind.

Tuesday night was another example of doing things differently. We changed shape within the course of the first half to make sure we stayed on top, and we were clinical when it mattered to get ourselves the two goal lead.

The second half was about digging deep as we fought against the nervousness and moments of rushed play that can come from not having yet achieved something – in this case chasing our first away win. In the end we managed the game really well, and it was character and discipline that saw the result through.

As we've said a number of times, we've had an OK start. We want to build on it, and we thank you for your efforts in helping us with that. Let's hope for another good performance and result today.

Enjoy the game.

**Crewe Alexandra:** Garratt, Ng, Raynes, S Miller, Bowery (Porter 84), Ainley, Nolan, Wintle, Green (Jones 57), Kirk (Nicholls 79), Hunt. Subs - Richards, Walker, Lowery, Reilly.

Bookings – Ng (47), Green (57)

**Crewe looked to stay tight through the opening minutes but an exchange of passes between Nadesan and Hope on the edge of the box created the slightest of gaps which the Blues looked to exploit. Hope tried to clip a shot to the far corner but it was just too high and it dipped over the bar.**

Direct forward play from Hope brought a corner as he skipped past two challenges, and the ball pinged around the box from the resulting Devitt cross until Hunt stepped in to hook it clear.

The play stayed mostly in midfield as Carlisle tried to find a way through, with Crewe sitting deep, and Devitt tested Garratt from 30-yards when he called for a pass from Hope. It skipped off the surface and the stopper showed good hands.

There was a let-off for the home side midway through the half when Ng was left unmarked as a corner delivery bent into the area. He had the width of the target to aim at but he got his bearings wrong and his header went well wide.

One-touch passing from Grainger and Etuhu worked space for Devitt to go for it with a firm connection as both sides kept chipping away, but his shot was too close to Garratt and he dropped comfortably to make the save.

A heavy fall for Grainger saw him leave the field of play on the half hour, to be replaced by Macaulay Gillesphey, but United recovered from the blow to play some good football as they tried to pick up the pace.

Yates angled a run to pull away from his man and he picked out Devitt in a crowd of players. Hope shouted but his first-time punt was right at the keeper.

There was more bad news for United on 51 minutes when Fryer raced off his line to intercept a through ball from Miller. He collided with Green and had to leave the pitch on a stretcher as his teammates and medical staff showed a huge amount of concern. Paul Green went the same way as he also failed to recover.

Both sides started brightly after the delay and Nadesan was about to pull the trigger on a ball over the top when Raynes slid in to make a timely challenge. Crewe broke and Gerrard was excellent as he stretched to hook clear when Bowery tried to find Miller.

It was pace from Ashley Nadesan which put the home side in front when he shrugged off his man to get on to a flick from Bennett as he won the battle for a high ball forward. Nadesan then showed strength and poise to set himself, draw the keeper and find the bottom corner to register his first ever goal at Brunton Park, and his fifth in total for the club.

Chris Porter's first touch late in the game was to thunder a 12-yard header over the bar, but United should have put the game out of sight as Devitt lofted a beauty of a pass into Hope's path. The keeper was off his line but Hope went for power and slashed it high into the sky.

### 16-18 TRAINEESHIP PROGRAMME

Working in partnership with the EFL Trust, CUFC CST have ran several 12- week Traineeship programmes.

The programmes are designed to give all 16–18-year-old NEET young people the opportunity to learn new skills and enhance their ability to find employment.

It offers students the chance to gain work experience in various working environments; in sectors they hope to gain employment/experience in whilst also improving on their English and Maths skills. Students also take part in employability training to prepare them for work including CV writing, job search and application and interview skills etc.

Regular guest speakers are also in attendance providing the students with opportunities to enhance their knowledge on such things as:

- Money Management
- Drug & Alcohol Awareness
- Sexual Health Awareness
- First Aid/Road safety

We have had some successful outcomes for students on completion of the programmes, gaining employment and apprenticeships in various sectors including Adult Social Care, Landscaping and Construction. One of our trainees even won the Nationwide EFL Trust Trainee of the year.

This mixture of in-classroom learning, and work experience placements helps to prepare students with important skills to support their journey towards employment/training/further education.

We are also extremely excited to have been nominated in this years Golden Apple Awards 2022.

If you would like to vote for Teresa Mulholland (Traineeship Coordinator) for the Golden Apple Peoples Choice award please follow our CUFC/CUFCST twitter/facebook page for the links.

**FUTURE OF TARU**  
GREAT NEWS FROM KENYA

Carlisle United are delighted to report that a link-up between press officer Amy Nixon and Paul Moffat, a huge fan of the club, has resulted in a swathe of new supporters being inducted into the ranks of the Blue Army... from all the way over in Kenya.

Paul contacted the media department a few months ago to let us know about the 'Future of Taru' project – a small UK Registered Charity which provides a school, quality education, a feeding programme, emotional support and a safe environment for many of the poor children in Taru, Kenya.

Having spoken to Paul about the project, Amy set about gathering together old kits and clothing before bagging it up for transportation to Taru, to be distributed amongst the children.

Paul Moffat said: "I am now in Kenya and have attached the first few photos of the CUFC items you kindly donated being distributed to our pupils and teachers.

"I still have lots more kit to distribute in the next week or so - therefore there'll be lots more photos as well!

"Thank you all so much for your support. It can't be put into words just how much it means to everybody over here, particularly the children, who are now very proud to be United supporters."

All of the children Paul and Eunice Moffat look after are living in poverty.

As well as providing protection from the dangers of the streets, the charity ensures local children receive a quality education and food every day in a happy and open environment, transforming their lives and giving them hope for a better future while supporting their families to make life progress.

Press officer Amy Nixon said: "We look to send kits and clothing to Africa every summer, and this was a perfect charity to support as far as we were concerned.

"Paul told us about the children and families in Taru, and we wanted to help. We could when he came to collect the bags that it was going to make a huge difference, and it's fantastic to know that we have helped a very worthy cause and some wonderful people."

Any mention of 'connection' and 'Crewe' in the same breath would usually involve train journeys. Until the gradual development of motorways, the railway was the preferred mode of transport for a football team travelling any distance to an away game.

That was certainly the case for Crewe Alexandra in 1960. After achieving a creditable draw against First Division side, Tottenham Hotspur, in a fourth round FA Cup tie at Gresty Road, they had to travel to London for the midweek replay on 3 February.

Legend has it that their train left from platform 2 at Crewe Station and when it arrived at Euston, the players found they had alighted on platform 13. As expected, the mighty Spurs won the game and 12 months later would be on their way to the first league and cup double of the 'modern' era. However, the score that February evening was amazing - indeed spooky in the circumstances - Spurs 13 Crewe 2.

I've seen a few Crewe games over the years but I'd like to indulge myself by sharing my memories of United's February 2008 League One match at Crewe. My wife and I were enjoying a couple of weeks in the south of Spain and our hotel had free internet that actually worked, so that was my easiest way of getting football news and results. However, the game on Saturday 16th was called off after heavy rain and rescheduled for Tuesday 26th.

This worked in my favour, as our return journey had been planned to include a few days in Carlisle, with the Doncaster game on the Saturday (which the Blues won 1-0 to retain fourth place).

So, while my wife went home to Scotland with our luggage, I went to Crewe with son, Ewan and our good friend, Brian Bassett. Before the game I met Crewe's legendary club historian, Harold Finch, who, just short of his 90th birthday, was still running the club's programme shop.

Harold kindly arranged an impromptu ground tour for us and we ended up in the hospitality area where a shy teenage girl stood with a bundle of Go£den Gamb£e tickets. Ewan and Brian, who of course organised the Brunton Park Golden Gamble, took all her tickets, sold most of them to the United directors and sponsors and we took the last 15 ourselves.

After the goalless first half I went behind the stand to phone my wife to check that she was home safe and spotted Ewan waving frantically at me. I had won the half time draw! Scott Dobie netted a second half winner and I went off happily to collect my cash - £130.

Having given Harold a tenner and split the rest three ways, as per our usual arrangement - except that was the only time we ever won anything - I had the princely sum of £40 as my winnings.

The programme had a player interview with Crewe and former Carlisle 'keeper, Ben Williams, and, by chance, we met him in the car park after the game to round off a very enjoyable evening.
